Dear Professor Sharma,
I hope this email finds you well.

I am writing to respectfully request a brief extension on Assignment 3 due on 30th March. Unfortunately, due to unexpected personal circumstances, I am finding it difficult to complete the work to my usual standard by the original deadline.

If possible, would I be able to submit the assignment by 31st March? I have already completed a significant portion of the task and am happy to share my current progress with you.

Thank you for your time and for considering my request.

Best regards,
Rahul Raj
